

How To Draw Pirate Nell

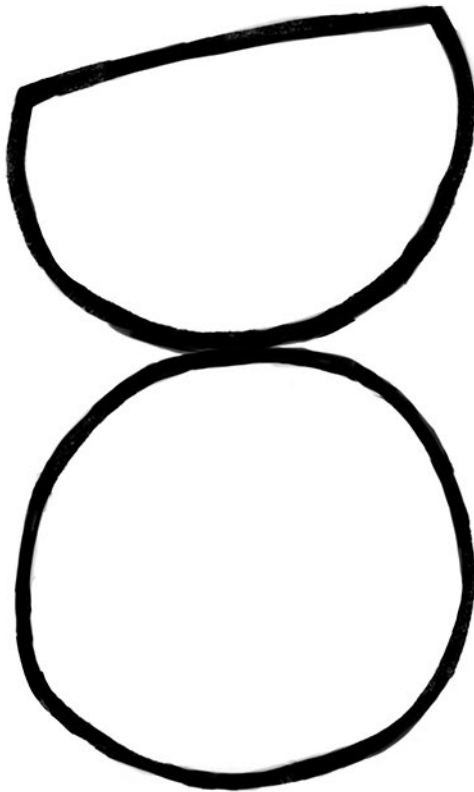

You will need all of these shapes
and lines to draw Pirate Nell...

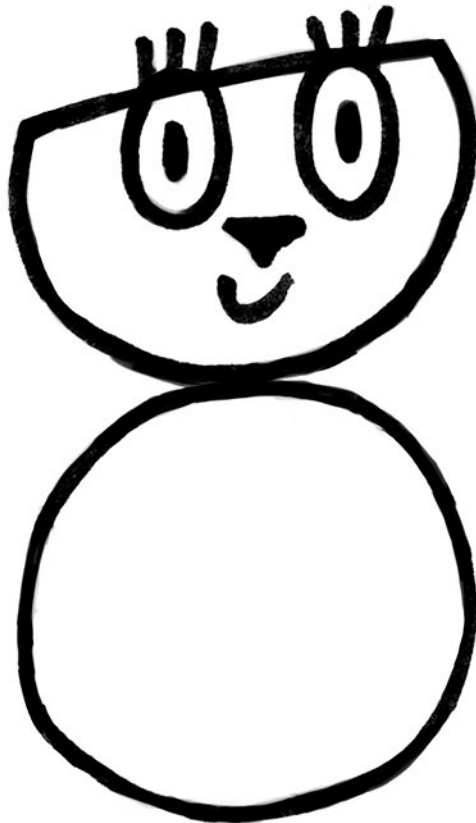

How To Draw
Pirate Nell

Start with a semicircle for Nell's head and a circle for her body

How To Draw Pirate Nell

Add eyes
and eyelashes...

A triangle for
her nose...

And a mouth

How To Draw
Pirate Nell

Her hat is like a triangle
that droops to one side...

And she's got
long, floppy ears

Now for the arms...

One arm goes up
- it's going to be
holding something

The other arm rests on her waist
- Her shirt sleeves are ripped.

How To Draw
Pirate Nell

Draw in her legs
and paws - She is
wearing rolled up
trousers

Now you can add triangles
for her shirt collar...

Crosses of string to
button up her shirt...

A belt tied round
her waist...

And a curly tail

There's just one last
thing left to draw...

Pirate Nell*

Now you know what Nell's holding
in her hand - it's a book!

How To Draw
Pirate Nell

Clean up your drawing and add the last few details...
